FLEXZILLA® PRO
PREMIUM HOSES, TOOLS & EQUIPMENT

WATER

Water Hose

10 YEAR WARRANTY

Flexzilla® Pro Water Hose was designed for professional use. It offers all the unique, efficient qualities of other Flexzilla hoses – it's lightweight, it lies flat, it's flexible in any weather, durable and abrasion-resistant and it will not kink when under water pressure. And it's easily repaired on the jobsite in a few simple steps. Plus, with our superior O-ring, you get a long-term, leak-free connection at the spigot. The Flexible Hybrid Polymer inner tube material is drinking water safe.

FLEXIBLE HYBRID POLYMER
- Durable outer cover resists abrasion, UV and mold
- Reinforced mid-layering provides extra strength
- Inner tube is drinking water safe

LEAK-FREE CONNECTIONS
A durable O-ring provides long lasting leak-free connections.

Bend reinforcement to reduce wear and tear, prolonging the life of the hose
