

JCP-4, 4-TON CABLE PULLER WITH 6' LIFT

180440

JET® JCP Series Cable Pullers incorporate proven industrial designs that lift, lower, stretch or pull heavy loads. Available in 1, 2 and 4 Ton configurations, JET JCP Series Cable Pullers are manufactured with lightweight zinc-plated steel to resist corrosion and a double sealed ratchet wheel brake system increasing safety on the jobsite. JET JCP Series Cable Pullers comply with ANSI/ASME B30.21 standards.

FEATURES

- Aircraft quality 1/4" cable
- Concealed spring lever control prevents accidental release
- Designed to lift, lower, stretch, or pull heavy loads
- Drop Forged Hooks with Safety Latches Standard
- Lightweight Zinc Plated Steel Construction
- Lightweight zinc plated steel construction to resist corrosion
- Load tested to 125% of capacity with certificate
- Snatch block included with JCP-2 and JCP-4 models

JET RED ASSURANCE 2-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
