WiFi Borescope

The new Klein Tools' ET20 Borescope can be quickly connected to your smartphone via the built-in WiFi signal, turning the smartphone in your pocket into a smart tool. Install the compatible App on your phone to display, record, store and also share your images and videos via text or email. This Borescope enables you to capture high-quality photo and video directly to your device from up to 30 feet away. It features a waterproof 9 mm camera with durable, armored 6-Foot (1.8 m) flexible gooseneck cable, on-board LED lights, convenient pocket clip and rechargeable lithium-ion battery.
