

Price List No. 38

Effective June 1, 2003

Brush Research Manufacturing

1. Prices: Are subject to discount and may be changed without notice. All orders are subject to acceptance at the home office.

2. Payment Terms: Net 30 days. A cash discount of 1% is allowed on merchandise value only if payment is mailed within 15 days from the invoice date. Late and unauthorized discounts taken will be billed back and future shipment may be withheld if such billings are not honored. Persistent abuse of the 1% cash discount will result in having the privilege denied. A Finance Charge of 1-1/2% per month (18% per annum) will be charged on past due accounts. Statements will not be mailed unless an account is past due when a finance charge will apply.

3. Freight Terms: All shipments are F.O.B. Los Angeles (Our Shipping Point). A handling charge will apply to all orders. Insurance will be added to all orders over \$100.00.

4. Returned Goods Policy: Merchandise may not be returned and will not be accepted without prior written authorization. All returns may be subject to a restocking charge of 15% or \$25.00 whichever is greater, plus freight costs. All goods returned which need repacking will be subject to a repackaging charge of 10%. BRM reserves the right to require proof of purchase prior to authorization for return by requesting Invoice copies. No merchandise over 1 year old may be returned. No Special Order Brushes may be returned. All claims for errors or shortages must be made in writing within 14 days of receipt of goods.

5. Minimum Orders: A minimum order of \$50.00 net per order. Orders will be filled only in standard package quantities or multiples thereof.

6. Special Merchandise & Order Cancellation: Contact the factory for pricing and minimum order quantities for those items not shown in our current catalog. Orders for special items may be subject to a non-refundable deposit or payment in advance. Orders for special items are not subject to cancellation unless we are reimbursed for costs incurred. No special merchandise may be returned.

7. Ordering Procedure: The Flex-Hone® Tool is not available for export. A distributor network outside the U.S.A. carries ample inventories and enjoys exclusive distribution rights in their countries. The Flex-Hone® Tool is patented and the trademark is registered in all major trading countries of the world. The Flex-Hone® Tool must be sold in its original package except in bulk shipments to OEM's.

8. Credit Terms: All new accounts must supply financial and credit references if open account is desired. Other options include check in advance or C.O.D.

All Power Brushes are priced less adaptors. When adaptors are required, they must be ordered separately.

All orders are contingent upon availability to secure raw materials and services.

Prices and terms subject to change without notice.
