TERMS AND CONDITIONS OF SALE

All orders, whether solicited or written by our sales representatives or forwarded by our customers are deemed to be mere offers to purchase in accordance with these Terms and Conditions of Sale until actually accepted in writing. We reserve the right to refuse any orders as well as the right to sell or not sell to any firm at our sole discretion. The acceptance of any order is expressly made conditional upon your assent to these Terms and Conditions of Sale. We object to the inclusion of any different or additional terms or conditions, even if the same are included in your order. A contract of sale will result upon the Terms and Conditions of Sale stated herein only.

PRICES

All prices in this book are provided as a list price. All prices are subject to change without notice and are not guaranteed. Prices are based on full box quantities where quantity is indicated in "Order Qty. Unit" column. All taxes, duties or other charges are the responsibility of the customer.

National Hardware, a division of Spectrum Brands, Inc. ("National Hardware") reserves the right to revise or modify products, product information, or pricing without notice.

CHANGES OR CANCELLATIONS

Order cancellation on regular stock items only, or any portion thereof is allowed only upon prior written consent from National Hardware and the payment of cancellation charges deemed appropriate.

EASY ORDERING

A six-digit stock number is printed immediately following the price for each item. It will simplify ordering, assure accuracy, and speed shipment if these numbers are used for placing orders. You need specify only the actual quantity (not boxes) and the stock number. Be sure to order in multiples of the "Order Qty." shown.

SHIPPING AND HANDLING

Prices are F.O.B. shipping point. National Hardware will prepay freight, with route selection at its sole discretion, on all shipments of \$500 or more to the contiguous states and the District of Columbia.

Freight charges will be prepaid for non-stock items shipped separately if they qualify under the terms listed above and the total order is over \$500.

Orders that do not meet prepaid freight requirements (under \$500) will be assessed a shipping and handling charge based on weight and shipping zone defined as being shipped from respective distribution facility. A minimum Shipping and handling charge of \$12 will be assessed.

Requests for proof of delivery receipts are subject to a \$10 charge per shipment, which charge will be canceled if delivery was not made.

MINIMUM ORDER

A minimum order of \$50 is required for each purchase.

DELIVERY

Shipping schedules are our best estimates, and cannot be guaranteed. National Hardware is not responsible for any direct or consequential loss or or damage, including lost profits, resulting from an inability or delay in meeting shipping schedules.

RETURN POLICY

Customer Service MUST authorize all returns of defective products. An RGA # (return goods authorization number) will be given and must appear on the return label as well as the return reason. Such authorization will be considered only if the request is made within 90 days of shipment and only if the credit can be applied to a specific invoice. If product to be returned is an error on the part of National Hardware full credit will be issued and freight paid for the return or a pick up by UPS. All other returns will be subject to a 20% restock charge and the customer must pay the freight charges. In addition, no product may be returned which is not in complete boxes, previously priced or nonstick items.

PAYMENTS

Our standard terms are Net 30 days from date of invoice.

GENERAL

Orders for non-stock or special made items cannot be canceled once in production. Merchandise cannot be returned or exchanged without prior written approval. Mark all Confirmations as such in order to avoid duplicate shipments.

PRICETICKET SERVICE

Retail price tickets are available with product shipments at a nominal charge. Please contact your sales representative for complete details.

PRODUCT WARRANTY

Upon return of a defective product, National Hardware shall either replace the product or refund the purchase price, at our discretion, in accordance with our standard limited warranty. National Hardware is not responsible for incidental or consequential damages or lost profits. Some states do not allow the exclusion of limitation of incidental or consequential damages, so the above exclusion may not apply to you. This limited warranty gives you specific legal rights and you may also have other rights that vary from state to state.

STANDARDS

National Hardware meets or exceeds the testing requirements specified for each product grade or rating.

- American National Standards Institute (ANSI)
- Builders Hardware Manufacturers Association (BHMA)
- Underwriters Laboratories, Inc. (UL)
- ADA (American with Disabilities Act)

SAFE WORKING LOAD (SWL)

Safe Working Loads have been determined through testing under conditions relating to actual use and by applying a safety factor. They are shown in pounds in the right hand column of each item, where applicable, under the column heading "SWL" The load shown is for one of each product. Do NOT exceed the SWL under any conditions. Do NOT use any of these products for overhead lifting, support of human weight, athletic or playground equipment. When safety is involved, consult us first. Inspect frequently!

3 TESTED TO BE
3X
CORROSION RESISTANT
over standard ZINC

WeatherGuard™ protection greatly enhances the performance of standard zinc products, formulated to withstand the harshest weather conditions and stand up to the corrosive effects of pressure treated lumber. Extensive testing and field use have proven WeatherGuard is far superior in corrosion resistance over competitive standard zinc-plated products.

When subjected to 312 hours of salt fog spray testing (BHMA A156.18), standard zinc hardware showed severe corrosion while hardware protected by WeatherGuard withstood these harsh conditions with very little deterioration.

Benefits of WeatherGuard™:

- Superior corrosion protection for indoor & outdoor use
- Extends the life and aesthetics of steel hardware products
- Safe for use with pressure treated/ACQ lumber

For more information about WeatherGuard™ visit:

www.nationalweatherguard.com

PACKAGING OPTIONS TO FIT DIFFERENT NEEDS

The letter(s) prefix to a catalog number designate the method of packaging:

1. Bar Code Options

BC (BAR-CODE): Virtually all National products are available in a bar-coded option for those customers who scan. Pre-applied bar-code labels are affixed to many bulk products, and all V-Pac or bagged items carry a UPC for quick, convenient scanning at the register. Some bulk bar-coded products are also available non-bar coded for high-volume purchases or non-scanning retailers. National also has enhanced bar-code readability by adopting the nominal bar code. This guarantees the UPC portion of the bar-code label is 100% of – or larger than – the industry-mandated size. All bulk bar-coded products will have a “BC” suffix, i.e., 2155BC.

2. Standard Packaging Options

V (VISUAL PAC, V-Pac): Items are packed on a card and blister or a card and skin pac suitable for hanging on a display hook. Products, where applicable, are packed with mounting screws.

B (BULK): Items are packed loose in a box. Quantities larger than standard box quantities are also available for high-volume requirements. Products do not include mounting screws.

VT (TUB-PAC-VISUAL): V-Pac items are packed in small tubs, suitable for hanging on a display hook. Products, where applicable, are packed with mounting screws.

VP (VALUE-PAC VISUAL): V-Pac items are packed in small tubs, slightly larger than VT package for a better value. Suitable for hanging on a display hook. Products, where applicable, are packed with mounting screws.

TP (TUB-PAC): Items are packed in small tubs suitable for counter display or hanging in separate merchandiser.

3. Cut-Case Program Options

a. V-Pac Options

DPV (DISPLAY-PAC VISUAL): These V-Pac items are packed in a display carton. Quantities are generally standard or near standard box quantities. Products, where applicable, are packed with mounting screws.

SPV (STOCK-PAC VISUAL): Larger quantities of V-Pacs in a display carton. Stock-pacs can be used for a bin-only merchandising program or as out-front backup for V-Pacs hung on display hooks above. Products, where applicable, are packed with mounting screws.

b. Bagged Options

MPB (MINI-PAC BAGGED): These items are packed in a poly-bag with an imprinted label that includes UPC bar code, description, stock number, etc. The bags are packed in a display carton. Products, where applicable, are packed with mounting screws.

DPB (DISPLAY-PAC BAGGED): These items are packed in a poly bag with an imprinted label that includes UPC bar code, description, stock number, etc. The bags are packed in a display carton. Products, where applicable, are packed with mounting screws.

SPB (STOCK-PAC BAGGED): These items are packed in a poly-bag with an imprinted label that includes UPC bar code, description, stock number, etc. The bags are packed in a display carton. Products, where applicable, are packed with mounting screws.

BPB (BIN-PAC BAGGED): These items are packed in a poly-bag with an imprinted label that includes UPC bar code, description, stock number, etc. The bags are packed in a display carton. Products, where applicable, are packed with mounting screws.

c. Bulk Options

MP (MINI-PAC LOOSE): These items are packed loose in a display carton without fasteners. Quantities are minimal, while still allowing for the cut-case look. Products do not include mounting screws.

DP (DISPLAY-PAC LOOSE): Items are packed loose in a display carton without fasteners. Quantities are generally standard or near standard box quantities. The cartons can be used for a bin-only merchandising program or, for items that can be hung, as out-front backup for display hooks above. Products do not include mounting screws.

SP (STOCK-PAC LOOSE): Items are packed loose in a display carton without fasteners. The cartons can be used for a bin-only merchandising program, or for items that can be hung, as out-front backup for display hooks above. Products do not include mounting screws.

BP (BIN-PAC LOOSE): Items are packed loose in a display carton without fasteners. Quantities are larger than SP. The cartons can be used for a bin-only merchandising program or, for items that can be hung, as out-front backup for display hooks above. Products do not include mounting screws.

GARAGE DOOR HARDWARE

BOLTS & NUTS

CARRIAGE BOLTS

V7652 Flat Head Carriage Bolts & Nuts
V-PAC - Specifically for wood garage doors

	1/4" - 20 x 1-3/4"	Zinc plated	N280-859	12	5 PK		
---	---------------------------	-------------	----------	----	------	--	--

RIBBED NECK

V7653 Ribbed Neck Bolts & Nuts
V-PAC - Specifically for fiberglass garage doors

	1/4" - 20 x 1/2"	Zinc plated	N280-875	12	5 PK		
---	-------------------------	-------------	----------	----	------	--	--

BRACKETS

BOTTOM & TOP BRACKETS

V7626 Bottom Lift & Roller Brackets, R & L
V-PAC - For use on wood or metal garage doors

	5-11/16" in length	Galvanized	N280-453	2	2 PK		•
---	---------------------------	------------	----------	---	------	--	---

V7628 Adjustable Top Roller Brackets w/Bolts & Nuts
V-PAC - For residential doors

	2-1/2" wide	Galvanized	N280-495	1	4 PK		•
---	--------------------	------------	----------	---	------	--	---

SPECIALTY BRACKETS

V7616 Quick Turn Brackets
V-PAC - To gain headroom to allow electric door operator in low ceiling applications

	18-3/16" long x 2-9/16" wide	Galvanized	N280-271	1	2 PK		•
---	-------------------------------------	------------	----------	---	------	--	---

CABLES

EXTENSION - LIFT CABLES

V7617 Extension Spring Lift Cables
V-PAC - For single wood or metal doors

	12' x 3/32"	Galvanized	N280-297	2	4 PK		•
	12' x 1/8"	Galvanized	N280-313	2	4 PK		•
	14' x 5/32"	Galvanized	N280-339	2	4 PK		•

V7620 Extension Spring Lift Cables
V-PAC - For Phenix style doors

	13'6" x 1/8"	Galvanized	N280-412	1	4 PK		•
---	---------------------	------------	----------	---	------	--	---

EXTENSION - SAFETY CABLES

V7619 Safety Cable for Extension Springs
V-PAC - Use for single spring hookups

	8'8" x 1/8"	Galvanized	N280-388	2	4 PK		•
---	--------------------	------------	----------	---	------	--	---

TORSION - LIFT CABLES

V7618 Torsion Spring Lift Cables
V-PAC - For 7' single and double fiberglass doors

	8'8" x 3/32"	Galvanized	N280-347	2	4 PK		•
	8'8" x 1/8"	Galvanized	N280-362	2	4 PK		•

HINGES

HINGES

V7608 Hinge #1 w/Carriage Bolts & Nuts
V-PAC - For use between 1st & 2nd sections on left & right of door & all center positions

	7-3/8" high	Galvanized	N280-156	1	4 PK		•
---	--------------------	------------	----------	---	------	--	---

V7609 Hinge #2 w/Carriage Bolts & Nuts

V-PAC - For use between 2nd & 3rd sections on left & right side of door

	7-3/8" high	Galvanized	N280-172	1	4 PK		•
---	--------------------	------------	----------	---	------	--	---

V7610 Hinge #3 w/Carriage Bolts & Nuts

V-PAC - For use between 3rd & 4th sections on left & right side of door

	7-3/8" high	Galvanized	N280-198	1	4 PK		•
---	--------------------	------------	----------	---	------	--	---

V7611 Hinge #4 w/Carriage Bolts & Nuts

V-PAC - For use between 4th & 5th sections on left & right side of door

	7-3/8" high	Galvanized	N280-214	1	2 PK		•
---	--------------------	------------	----------	---	------	--	---

LOCKS & HANDLES

HANDLES

V7638 Universal Lift Handles

V-PAC - Replacement for most lift handles

	7-1/4" in length	Galvanized	N280-586	2	3 PK		•
---	-------------------------	------------	----------	---	------	--	---

V7639 Blank T-Handles

V-PAC - For use with a variety of locks and latches

	Shaft: 5/16" sq. x 3"	Chrome	N280-602	1	3 PK		
---	------------------------------	--------	----------	---	------	--	--

LOCKS

V7640 Universal Locking T-Handles

V-PAC - For wood or metal garage doors, camper tops, RVs

	Shaft: 5/16" sq. x 4"	Chrome	N280-610	1	3 PK		
---	------------------------------	--------	----------	---	------	--	--

V7641 Universal Locking L-Handles

V-PAC - For wood or metal garage doors, camper tops, RVs

	Shaft: 5/16" sq. x 3-11/16"	Chrome	N280-636	1	3 PK		
---	------------------------------------	--------	----------	---	------	--	--

V7642 Outside Locking Handles

V-PAC - For wood or metal garage doors, side mount with V7647

	7-1/2" L, shaft: 5/16" sq. x 3-1/4"	Chrome	N280-651	1	3 PK		
---	--	--------	----------	---	------	--	--

V7643 Locking T-Handles

V-PAC - For use on metal and fiberglass doors

	Shaft: 5/16" sq. x 3-3/4"	Chrome	N280-677	1	3 PK		
---	----------------------------------	--------	----------	---	------	--	--

V7645 Swivel Locks

V-PAC - For use with outside handles & V7654

	For 5/16" sq. shaft	Zinc plated	N280-701	1	3 PK		
---	----------------------------	-------------	----------	---	------	--	--

V7646 Side Locks

V-PAC - For use on inside of most garage doors

	5-1/2" wide	Zinc plated	N280-727	1	3 PK		
---	--------------------	-------------	----------	---	------	--	--

V7647 Side Locks

V-PAC - For use with V7642 locking handle

	7-1/2" wide	Zinc plated	N280-743	1	3 PK		
---	--------------------	-------------	----------	---	------	--	--

V7650 Dead Bolt Rim Cylinders

V-PAC - Replacement cylinder with 2 keys for V7651

	3-1/8" long, 2" long shaft	Aluminum	N280-768	1	3 PK		
---	-----------------------------------	----------	----------	---	------	--	--

V7651 Dead Bolt Locks, Inside Center Mount

V-PAC - For wood or metal garage door lock replacement

		Aluminum	N280-784	1	3 PK		
---	--	----------	----------	---	------	--	--

2 GARAGE DOOR HARDWARE
