

Diagonal Cutting Pliers, Flush Cutter, Lightweight, 5-Inch

The Precision Flush Cutter offers added comfort for cutting applications that demand precision and control. Improved knife design on these pliers snips soft wire up to 16 AWG for a flat, flush cut. The ultra slim profile increases access in confined areas. Grips designed for greater control while the steel return spring adds comfort when making repetitive cuts. The blades are heat treated for long life. This is your go-to tool when you want precision and control when cutting small wire, zip ties and other fine material.
