

Diagonal Cutting Pliers, Heavy-Duty Journeyman, 9-Inch

Klein Tools J2000-59 Diagonal Cutters have thicker forging of their beefier head to ensure this heavy-duty cutting pliers will last longer than standard diagonal-cutters. Extra-long cutting blades provide 57-Percent more cutting surface for greater cutting ability. 2000 series heavy-duty cutting knives cut ACSR, screws, nails and most hardened wire while the angled blades make it easier to work in confined spaces. Induction-hardened cutting knives for long life. Dual-material Journeyman™ handles provide better grip and added comfort.
