Material Number B021850, Eccentric Coupling C x C - Cast, 702

The eccentric coupling features solder cups. The fitting provides a means to connect larger size tube to smaller size tube while keeping a straight line. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility, and backed
