### Material Number B040750, 705-D - Vent Elbow C x C - Cast

The 90-degree vent elbow features solder cups and a drain port with cap. This fitting provides a means of changing the pipeline direction 90 degrees as well a means to drain the pipe. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001
