XXL	40239345

NEW SIZES
AVAILABLE
IN XS & XXL

Products showcased in our Ansell Earth portfolio feature proven and quantified claims regarding their reduced environmental footprint. [Learn more about Ansell Earth](#)

* Versus standard ANSI/ISEA 105-2024 CUT A3 to A9-rated gloves
** Versus similar gloves made of standard HPPE yarn

Ansell**GUARDIAN**®

Performed by our safety experts, Ansell**GUARDIAN**® is a personalized service that enables our customers to create a safer, more productive, and less injury-prone work environment. Using our safety expertise and a data-driven methodology, we provide a unique assessment tailored to each customer's needs.

Safety & Compliance

We provide a personalized risk management solution that leads to improved worker safety, injury reduction, and increased regulatory compliance.

Cost Performance

We advise on business performance improvements that result in lower overall costs for your company.

Productivity

We deliver best practice recommendations to optimize your PPE dispensing, improve your company's output, and eliminate waste, leading to an increase in productivity.

Training

Where needed, we also work alongside you to implement PPE change management to effectively train and protect your workforce.
