The LPS® MAX product line focuses on meeting the needs of heavy industry through increased product performance, packaging improvements, regulatory/environmental compliance and sustainability.

These products feature a slip resistant aerosol can topped with a lockable, integrated flip straw actuator that allows the operator the choice of focused precision to broad stroke product application. Simply put, it's MAXimum control, MAXimum application and MAXimum performance in the palm of your hand.

INTEGRATED DUAL APPLICATION FLIP STRAW

Two options for product delivery:

Straw DOWN position - broad stroke application

Straw UP position - precision application

LPS MAX 1™ Dry Lubricant & Water Displacer

- Advanced greaseless formula with improved penetration and lubrication
- Greaseless formula keeps precision parts moving
- 38.7% more penetration and 19.3% more lubricity
- Nozzle provides targeted or broad stroke application
- Embossed can for improved hand grip
- Locking flip straw actuator

Available size: *Aerosol*

LPS® MAX CFC Free Contact Cleaner

- Plastic safe
- Fast evaporating, no residue
- Locking flip straw actuator
- Does not contain HCFCs
- Fast acting and fast penetrating
- Low odor
- Nozzle provides targeted or broad stroke application
- Embossed can for improved hand grip

Available size: *Aerosol*

LPS® MAX Orange Degreaser Low VOC Solvent

- Excellent for removing grease, grime, oil, and adhesives
- High solvent strength for instant cleaning action
- Controlled evaporation, leaves little residue
- Low VOCs (Volatile Organic Compounds), compliant in all 50 states
- Does not contain chlorinated or brominated solvents
- Excellent alternative to Methyl Ethyl Ketone (MEK), Toluene, and/or Xylene
- Meets VOC regulations of CARB (California Air Resources Board), OTC (Ozone Transport Commission) and LADCO (Lake Michigan Air Directors Consortium)
- Not a Hazardous Air Pollutant (HAP)
- No ozone depleting compounds (ODC)
- Locking flip straw actuator
- Nozzle provides targeted or broad stroke application
- Embossed can for improved hand grip

Available size: *Aerosol*

LPS® MAX PreSolve® Industrial Orange Degreaser

- Removes grime with MAX speed
- Effectively dissolves tars, asphalt, mastics, and adhesive residues
- Safe on all metals and most plastics
- No chlorinated solvents
- Controlled evaporation
- Nozzle provides targeted or broad stroke application
- Embossed can for improved hand grip
- Locking flip straw actuator

Available size: *Aerosol*

Designed specifically for food processing facilities, patented DETEX® metal and x-ray detectable plastic packaging reduces the risk of foreign matter contamination while supporting food safety and HACCP programs. The newly upgraded slip-resistant can features bright blue, lithographed labels that won't tear or smudge with NSF® ratings clearly marked across the top of the can - all visible from across the plant floor.

LPS® DETEX® FOOD GRADE Silicone Lubricant

- NSF H1 lubricant can be used anywhere within a facility where incidental food contact may occur
- Anti-stick agent for chutes and slides keeps packages moving
- Dry film will not attract dust or dirt
- Safe on all metals, plastics, and rubber parts
- Colorless formula will not stain packaging material or equipment
- Metal and x-ray detectable packaging

Available size: Aerosol

LPS® DETEX® FOODLUBE® Sugar Dissolving Fluid

- NSF H1 lubricant can be used anywhere within a facility where incidental food contact may occur
- Effectively removes sugar-based soils to keep food and beverage production equipment fully operational
- Release agent eases future cleaning of sticky soils
- Provides short-term corrosion protection on exposed metal surfaces
- Metal and x-ray detectable packaging

Available sizes: Aerosol, Trigger and 1 Gallon

LPS® DETEX® FOOD GRADE Extreme Temp Grease

- NSF H1 grease can be used anywhere within a facility where incidental food contact may occur
- Premium, fully synthetic grease performs well in extreme temperature applications (-75°F - 510°F)
- Non-melting formula is suitable for extended high temperature exposures
- Dye-free grease will not stain product or equipment
- Fortified with PTFE for enhanced lubrication and corrosion resistance
- Resists water washout through multiple wash cycles
- Metal and x-ray detectable plastic cap

Available size: Cartridge and 55 Gallon Drum

LPS® DETEX® FOOD GRADE Electronic Cleaner

- NSF K6 electronic cleaner can be used anywhere within a facility where incidental food contact may occur
- Removes dirt, moisture, and oxides from electronic equipment
- Plastic safe formula can be used on a variety of surfaces
- Fast drying and residue-free for efficient maintenance cycles
- VOC Compliant in all 50 states
- Metal and x-ray detectable packaging

Available size: Aerosol

LPS® delivers industrial solutions through high-performance lubricants, corrosion inhibitors, degreasers, and electronic cleaners. Serving industrial, aerospace, military, food processing, contractor, and energy development facilities worldwide, LPS® is known for innovation. The voice of our customers inform these new product solutions for real-world problems – like LPS® MAX packaging and formulation enhancements and DETEX® metal and x-ray detectable plastic components for food grade products. Our complete line of products eliminates redundant inventory and minimizes costs by maximizing equipment efficiency and productivity.

SCRUBS® towels combine advanced formulas with industrial strength wipes to get the job done ANYWHERE, ANYPLACE, ANYTIME®. Whether cleaning hands, tools, or surfaces, there is a SCRUBS® solution that's right for the job.

SCRUBS in-a-Bucket® Hand Cleaner Towels

- Advanced cleaning formula loosens and dissolves industrial soils from hands, tools, and surfaces
- Rough Touch® blue towel has textured surface for scrubbing and smooth side for touch ups
- Large towel locks in soil to prevent it from transferring back onto hands or surfaces
- Leaves hands feeling clean with no rinsing required and no sticky residue left behind
- Replaces dirty rags, shop towels, and sponges
- Clean, citrus fragrance
- Remove: Dirt, Tar, Oils, Grease, Paints, Adhesives, Epoxies, Caulks, Inks & Dyes, Urethanes, Lubricants, "Icky-PIC", Cable Jelly, and Asphalt

Available sizes: Single Towel, 30 Wipes/Container and 72 Wipes/Bucket

STAINLESS STEEL Cleaner Towels

- REMOVES: Spot marks, film, fingerprints, watermarks, and stains
- Leaves a thin film for lasting protection
- Clean, polish, brighten and protect all in one step
- Surface can be polished with clean, dry cloth for higher gloss
- Contains no harsh abrasives and are safe to use on most metals

Available size: 30 Towels/Container

SCRUBS® All Purpose Cleaning Wipes

- Formulated to be strong and effective at cleaning dirt and grime
- Quick clean of hands on the go or when traditional handwashing facilities are not readily available
- Cleaning formula has been tested and proven to be effective in breaking down and removing everyday soils and stains
- The wipes can handle tough messes without tearing or falling apart during use

Available size: 30 Towels/Container

HAND SANITIZER Wipes

- Helps reduce the risk of infection and disease
- Dissolves Bio-film, prevents cross-contamination
- Superior to alcohol gels, which do not remove contaminants
- Dual-textured to help lock in and remove soil
- Available in original and lemon fresh scent

Available size: 85 Wipes/Container

SCRUBS® NO RINSE Food Surface Disinfectant Wipes

- Kills 99.9% of bacteria on food contact surfaces¹ in 30 seconds
- Cleans and disinfects in one easy step¹
- No rinse required, even on food contact surfaces
- Simplifies your training process
- Pre-moistened wipe eliminates the need for chemical dilution systems

Available size: 80 Wipes/Container

¹When used according to the directions for disinfection

Whether you need to permanently mark metal, wood, glass, rubber, cardboard or ceramics, DYKEM® marking products and layout fluids are proven performers. Carefully formulated and manufactured to deliver vivid color and durable identification marks and color-coding, the DYKEM® family of products is an ideal companion for professionals who need quick and effective detection and protection against tampering and changes in settings or controls.

Professional Metal Stamping Fluids Metal Mates™ is an industry leader in developing and manufacturing lubricants for metal stamping, drawing, punching, rolling, piercing, cut-outs, and forming.

By studying the total process, from steel coil to finished part, we identify opportunities to save money and reduce costs by simplifying and improving the entire manufacturing operation.

In addition to Metal Mates™ outstanding performance in the press, value continues to build in secondary operations through excellent rust prevention, cleaning ease, and improved tooling life, all while contributing to a safer work environment.

HDP-970-40 Severe-Duty Stamping Lubricant

- Reduces scoring and cracking on Ultra High Strength Steel (UHSS) and other materials
- Ideal for in-die tapping systems
- Improves die life
- Excellent rust protection
- Dries to the touch, no sticky or gummy residue
- Superior wetting/coverage evenly distributes lubricant for uniform performance
- Will not build up on dies
- Cleaner, safer work environment
- Does not stain electro-galvanized, hot-dip galvanized, or other coated steels

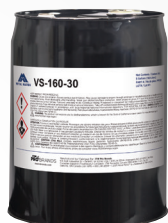

Available sizes: 5 Gallon Pail, 55 Gallon Drum and 330 Gallon Tote

OVS-210-21 Heavy-Duty Stamping Lubricant

- Washes out abrasive metal fines
- Low to no smoke during welding
- Does not become sticky, leaves no tacky residue build up in dies and tool
- Superior wetting/coverage evenly distributes lubricant for uniform performance
- Extends tool life
- May be diluted up to 6:1

Available sizes: 5 Gallon Pail, 55 Gallon Drum and 330 Gallon Tote

VS-160-30 Medium-Duty Stamping Lubricant

- Washes out abrasive metal fines
- Not sticky or tacky - cleans very easily
- Superior wetting/coverage evenly distributes lubricant for uniform performance
- Low to no smoke during welding
- Does not build up on tooling/die
- Ideal for High Strength/Low Alloy (HSLA), aluminum and mid range 275-500 Megapascal (MPa) steels

Available sizes: 5 Gallon Pail, 55 Gallon Drum and 330 Gallon Tote

GN64-45 Flat-Stack, Light-Duty Synthetic Stamping Fluid

- Petroleum free for a smaller carbon footprint
- Washes clean with warm water
- Superior wetting/coverage evenly distributes lubricant for uniform performance
- Improves die life
- Provides short term protection against corrosion and rust
- May be diluted up to 15:1
- Dries to clean touch

Available sizes: 5 Gallon Pail, 55 Gallon Drum and 330 Gallon Tote

ULTRACUT® Syn22 Near-Neutral pH Synthetic Coolant

- Near-neutral pH is safer for multiple materials/operations and improves worker safety and comfort
- Inherently low-foaming formula works well with the latest high-pressure coolant systems
- Improved part finish and increased tooling life
- Less carry-off/waste for improved economics

Available sizes: 5 Gallon Pail and 55 Gallon Drum

ULTRACUT® PRO-CF Chlorine-Free Water-Soluble Oil

- Premium water-soluble oil
- Biostable and resistant to microorganisms
- Non-chlorinated extreme pressure (EP) additives
- Increases sump life
- Extends tool life
- Provides corrosion protection
- Provides great workpiece quality

Available sizes: 5 Gallon Pail and 55 Gallon Drum

WS-5050 Water-Soluble Oils

- Superior water-soluble oil with chlorinated extreme pressure additives for moderate and heavy-duty machining applications
- Multi-purpose, versatile product
- Dependable all-around performance
- Recommended for ferrous & most nonferrous metals

Available sizes: 1 Gallon Container, 5 Gallon Pail and 55 Gallon Drum

Vytron-N Synthetic Metalworking Fluid

- No mineral oil or CFCs
- Non-toxic when diluted
- Recommended for ferrous metals and titanium
- Not recommended for aluminum, brass, bronze or copper
- Keeps tools and machines clean
- No insoluble soap buildup

Available sizes: 1 Gallon Container, 5 Gallon Pail and 55 Gallon Drum

LB-8500 Minimum Quantity Lubricant for Cutting & Machining Aluminum

- Sawing and machining of aluminum, due to superior lubricity
- Burns off clean after post-heat treating (aging)
- A general use product for all metals and all types of machining
- Light to moderate duty

Available sizes: 1 Gallon Container, 55 Gallon Drum and 330 Gallon Tote

LB-6000 Light Viscosity MQL

- Moderate to heavy-duty
- Vegetable-based, biodegradable lubricant
- Non-staining, burns off cleanly in post heat treating
- Clean with soap and water

Available sizes: 1 Gallon Container and 55 Gallon Drum

LB-2000 General-Purpose Lubricant

- Moderate to heavy-duty
- Vegetable-based, biodegradable lubricant
- For ferrous & nonferrous metals, aluminum and titanium
- Accu-Lube's #1 product for over twenty years
- Clean before heat treating with soap and water

Available sizes: 1 Gallon Container and 55 Gallon Drum

Junior Applicator-Portable Nozzles

- Compact applicator with magnetic mounts for easy placement
- Precision pumps deliver precisely metered lubrication
- Individually controlled airflow valve, lubricant control, and frequency generator for maximum output control
- Coaxial hose assembly atomizes the lubricant at the nozzle tip for consistent application
- Economical solution brings the benefits of near-dry machining into any size shop

Dymon® professional strength aerosol and bulk products feature improved formulations for more efficient cleaning with less environmental impact. The Dymon® brand family of products is designed to handle any size job.

CLEAR REFLECTIONS® Glass Cleaner & Polish

- Residue-free glass cleaner leaves no spots, film or streaks even at hot and cold temperatures
- Removes grease, fingerprints, oil, smudges, soils, streaks, etc.
- Overspray dries clear
- Ammonia-free
- Fresh, clean fragrance

Available size: *Aerosol*

LIQUID ALIVE® Odor Digester

- Contains enzyme producing bacteria that digests malodors and waste caused by dampness, mildew, mold, food, urine, vomit, fecal and organic matter
- Non-staining on carpets, upholstery and water-safe surfaces
- Non-toxic to animals and humans
- Biodegradable

Available sizes: *Trigger, 1 Gallon Container, 5 Gallon Pail, and 55 Gallon Drum*

do-it ALL™ Brand Foaming Germicidal Cleaner

- Proven to clean, disinfect, and deodorize most hard, non-porous surfaces in one step
- Foam clings to vertical surfaces permitting longer contact time
- EPA registered
- Controls mold, mildew, and the odors they cause

Available size: *Aerosol*

DYMON® THE END™ Wasp & Hornet Killer

- Instant knockdown of wasps, hornets, yellow jackets and bees
- Spray range up to 20 feet
- Residual action prevents return of insects and new nests
- Non-conductive to 40,700 volts
- EPA registered; meets ASTM D412 -won't degrade vulcanized rubber gloves

Available size: *Aerosol*

Dry Breeze™ Sugar & Spice Dry Air Freshener

- Dry Spray eliminates odors in the air
- Effective at combating tobacco and other malodors
- Special valve allows for can to be sprayed upside down
- No messy fallout
- Dry Formula stays suspended in air
- Sweet, yet spicy fragrance

Available size: *Aerosol*

Natural Citrus Stainless Steel Cleaner

- Cleans and polishes to restore original brightness
- Contains natural citrus solvent combined with detergents and polishing agents to clean and remove grease, fingerprints, and prevent re-soiling
- Provides a protective coating
- Removes: Spot Marks, Grease, Film, Water Marks, Fingerprints, and more
- Water-Based Formula

Available size: *Aerosol*

The Spray Nine® family of professional-strength products is the most versatile performer in the cleaning tool kit. Whether your needs are heavy degreasing or effective disinfection, Spray Nine® is the product individually formulated for your cleaning, disinfecting, sanitizing or deodorizing needs.

Spray Nine® Heavy Duty Cleaner+Degreaser+Disinfectant

One Product, NINE Uses!

1. Cleans
2. Degreases
3. Disinfects against viruses in 30 seconds
4. Disinfect against bacteria in 45 seconds
5. Sanitizes in 10 seconds
6. Kills fungus in 3 minutes
7. Deodorizes
8. Controls mold & mildew
9. Removes stains

Available size: Trigger, 1 Gallon Container, 5 Gallon, and 55 Gallon Drum

Spray Nine® GREZ-OFF® Parts Cleaner Degreaser

- Powerful formula quickly removes heavy-duty automotive soils, grease and dirt
- Safe to use, non-flammable, biodegradable and VOC compliant
- No fumes or unpleasant odors
- Ready-to-use, no mixing required
- Powerful water-based formula

Available size: Trigger, 1 Gallon Container, 5 Gallon, and 55 Gallon Drum

Spray Nine® Earth Soap Bio-Based Cleaner/Degreaser

- Industrial strength cleaner and degreaser
- A bio-based safe alternative to solvent and caustic cleaning product
- Corrosion inhibiting formula makes this product effective for use as a solution in traditional and heated parts washers (up to 180°F)
- Biodegradable, water soluble solution

Available size: Trigger, 1 Gallon Container, and 55 Gallon Drum
