Features and Benefits

- Precise coolant thru, designed to efficiently cool down the cutting edge
- Suitable for high pressure coolant (up to 70 bar)
- Reduced cutting edge temperature for better tool life
- Better chip evacuation and improved chip control and flow
- External holders with coolant are fully supported by VARGUS GENius™, the most advanced Tool Selector and CNC Program Generator in the metal cutting tools industry

Compatible Vargus Holders, listed below – indicate which holder you would like to receive
