Ansell**GUARDIAN**®

Performed by our safety experts, AnsellGUARDIAN® is a service that helps our customers to improve their safety and productivity, combining 45 years of safety assessment experience with a data-driven methodology, delivering unique personalized assessments.

Safety & Compliance

We provide a personalized risk management solution that leads to improved worker safety, injury reduction and increased regulatory compliance.

Cost Performance

We advise on business performance improvements that result in lower overall costs for your company.

Productivity

We deliver best practice recommendations to optimize your PPE dispensing, improve your company's output and eliminate waste, leading to an increase in productivity.

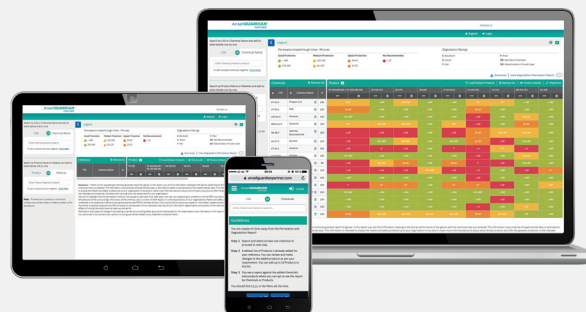

Ansell**GUARDIAN**® Chemical

Chemical Protection. Simplified.

SELECTING THE RIGHT CHEMICAL GLOVE AND SUIT HAS NEVER BEEN EASIER!

AnsellGUARDIAN® Chemical simplifies the glove and suit selection for the unique set of chemicals you handle. Using AnsellGUARDIAN® Chemical, select the chemicals you handle and the database will measure how long it takes a chemical to pass through the material AND how much material is damaged by the chemical.

How it works:

- 1 Search for chemicals by CAS or Name
- 2 Search for products or materials
- 3 View permeation and degradation charts and identify optimal solutions

CAS	CHEMICAL NAME
110-82-7	CYCLOHEXANE
