

## AlphaTec®

## 2000 STANDARD

Watch our video below to learn about the benefits of AlphaTec® 2000 STANDARD suits

AlphaTec® 2000 provides superior protection and comfort with exceptional liquid and particulate protection. Ideal for a wide range of industrial applications.

### Key Features & Benefits

- Excellent liquid penetration resistance and barrier to fine particulates
- Air and water vapor permeable (“breathable”) to help reduce the risk of heat stress
- Silicone-free – critical in spray-painting applications
- Low-linting – reduces the risk of fibre contamination in critical areas
- Latex-free elastic
- Anti-static, tested according to EN 1149-5 & AATCC 76
- Tested to ASTM F1670/1671 for protection from bloodborne pathogens
- Optimized body fit – improves wearer comfort and safety

### Primary Industries

Life Sciences | Automotive | Metal Fabrication | Food Processing | Defense

### Standards & Certification

- PPE Category III

TYPE 5-B

TYPE 6-B

EN 14126  
ASTM F1671

DIN 32781

EN 1073-2

EN 1149-5  
AATCC 76
