

HAIMER Shrink Fit Tooling Package

HAIMER®
Quality Wins.

WHY HAIMER SHRINK FIT?

- **HAIMER:** global industry leader in shrink fit technology
- **ACCURACY:** less than 0.00012" T.I.R.
- **SECURITY:** 360° clamping, 10X vs collet
- **CONSISTENCY:** no variation between tool changes
- **TRUE BALANCE:** G2.5 at 25,000 RPM
- **REPEATABLE:** no moveable or wearable components
- **FAST:** tool changes in less than 5 seconds

Machine + 10 Holders

as low as: **\$9,600***
